

FIRE EXTINGUISHER HOLDER STAND

Fire Extinguisher stand is portable and keeps fire protection close at hand. Makes moving fire extinguishers from site to site easier. Ideal for open offices, construction sites, exhibit halls, workshops, fairs, and more. Supports all types of fire extinguishers.

- Stand is made of mild steel and powder-coated for anti-corrosion
- Mounting parts made of steel, zinc plated
- Rubber padding of foot protects floor material
- Tubular stand for holding one portable fire extinguisher of any type
- Comes with bracket and hook kit for mounting fire extinguishers by wall hooks or valve body
- MOQ 54 pcs. (2 pallets)
- Standard colour RAL3000. For non-standard colour painting contact to VALPRO sales manager.
